Company Profile

Parker Auction Service was founded in 1995 by long time NWA resident Darrell Parker. Since that time Parker has conducted hundreds of successful auctions in Northwest Arkansas ranging from Estate and farm sales to inventory clearance sales of local businesses. Parker has a professional, friendly staff and can handle every facet of putting on a sale of any size. Parker Auction Service was founded in 1995 by long time NWA resident Darrell Parker. Licensed and Bonded Auctioneer

Darrell Parker is a member of the Arkansas Auctioneer Association, the National Auctioneers Association and he is a CAGA Certified Appraiser. He is an Arkansas licensed and bonded auctioneer. His license number is 826.

Northwest Arkansas Focus

Parker Auction Service is headquartered in Prairie Grove, Arkansas and has conducted auctions all over the region. We specialize in getting top value for your items by keeping in touch with a broad array of interested buyers looking for unique and unusual items.

Broad Experience

Parker Auction Service has over 30 years of experience in the Northwest Arkansas area with over a decade dedicated to the antique trade. Our extensive contacts with dealers and collectors enables us to get top dollar for most antiques. And Parker's extensive background in the farm and cattle industry helps to bring in buyers for farm sales.
